

goeasy Ltd. Named one of Achievers 50 Most Engaged Workplaces in North America

July 19, 2019

MISSISSAUGA, Ontario, July 19, 2019 (GLOBE NEWSWIRE) -- goeasy Ltd. (TSX: GSY), a leading full-service provider of goods and alternative financial services, is named one of Achievers 50 Most Engaged Workplaces® in North America for 2019. This annual award recognizes top employers that display leadership and innovation in engaging their employees.

goeasy prides itself on building a culture of highly engaged team members that provide our customers with exceptional service and deliver on our vision to provide everyday Canadians a path to a better tomorrow, today. Through its many employee engagement programs focused on leadership, career development, rewards and recognition, goeasy is proud of its culture and honoured to receive this award, alongside an exemplary group of companies.

"There are an unprecedented five generations in the workplace. Coupled with the fight for top talent at an all-time high, it's more important than ever for organizations to put a greater focus on engaging their employees to drive positive business performance and culture. The companies we honour as the Achievers 50 Most Engaged Workplaces® have proven their forward-thinking directly leads to a more positive employee experience," said Jeff Cates, CEO and president at Achievers. "Through the development of a people-first culture, the organizations listed epitomize an innovative, engaged and accomplished workforce, and we're honoured to add them to our growing roster of past winners."

A panel of 10 esteemed judges comprised of employee engagement academics, industry analysts, thought leaders, journalists and influencers evaluated the applicants. Winners were selected based on Achievers' Eight Elements of Employee Engagement™: Leadership; Communication; Culture; Rewards and Recognition; Professional and Personal Growth; Accountability and Performance; Vision and Values and Corporate Social Responsibility.

"Awards such as this are particularly meaningful because they are a true testament to the outstanding passion and engagement shown by our diverse group of 1,900 team members working coast to coast, who strive every day to take great care of our customers," said Jason Mullins, President and CEO of goeasy. "We have made a concerted effort to develop a culture that fosters an engaging and positive work experience, where our team members have a deep sense of purpose, are stretched to learn and develop, and can experience a fulfilling and rewarding career."
